Pathways

Careers advice for young disabled people

Career Pathways is an independent careers advice service for people aged 15 to 25 who live in England and Wales. Our careers advisers will work with you to set you on the path to succeed.

SCOPE
= Equality for
disabled people

You'll be offered up to three one-hour sessions with careers advisers to:

- explore career options and the employment routes open to you
- develop your career goals and create an action plan to help you achieve them.

The sessions are run virtually over Teams, email and phone. We can provide adjustments if you need them, such as British Sign Language interpreters.
