Ends April 2023

What is the I’m In Healthcare Careers Programme?

It helps you find out about many careers in the NHS by:

- **Completing quizzes and modules**
- **Messaging NHS ambassadors – real people, doing real jobs in the NHS**

All you have to do is start by signing up to I'm in Healthcare.

This is what you do:

1. **Sign up to https://hee.connectr.co.uk/hee/ - use your school email**
2. **Start with Welcome to the NHS and take the quiz**
3. **Send a message to a mentor/ambassador to find out about a career**
