Health Education England Careers Programme KS3 and KS4

Parents' Information

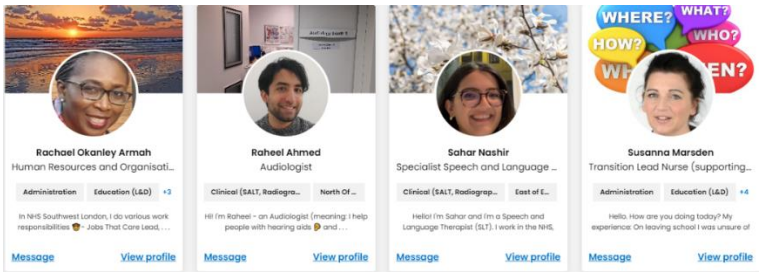

Health Education England is teaming up with Connectr to deliver a one-of-a-kind virtual careers programme from **Autumn 2022**. The programme will run until **April 2023**.

What do the students receive?

- bite-sized, interactive modules on the platform to learn about diverse NHS careers (See below)

- Opportunity to ask questions of a mentor currently working in a range of NHS careers.

To find out how Health Education England protects any personal information, please see the privacy policy below.
